EPA Community Involvement Conference
July 19, 2011

Overview

- WE ACT for Environmental Justice
- Environmental Support Center
- WE ACT's Environmental Health Report Card
 - Lessons Learned
- Activity

Environmental Support Center

- The Environmental Support Center promotes the quality of the natural environment, human health, community sustainability and social justice by building the capacity of environmental justice groups and their allies*

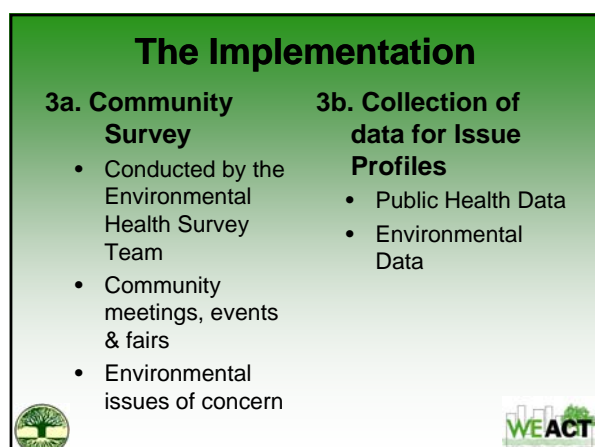

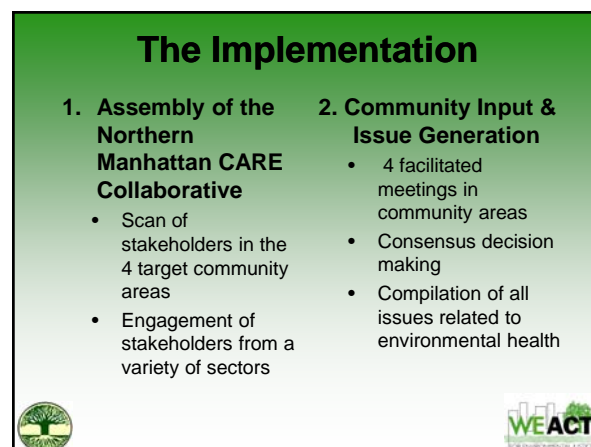

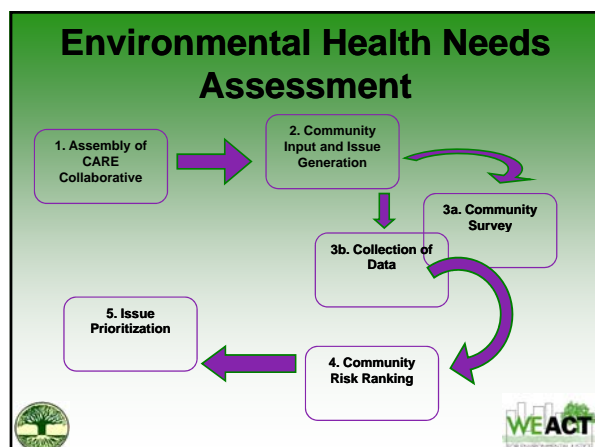

WE ACT for Environmental Justice

- A Northern Manhattan community-based organization whose mission is to build healthy communities by assuring that people of color and/or low-income participate meaningfully in the creation of sound and fair environmental health and protection policies and practices.

Lessons Learned

- Photovoice can be a helpful tool
- Consider the big picture
- Invest in dynamic processes
- Be strategic

Description of Activity

- Please refer to your scenario sheet. Each table should have a different scenario. Use the scenario sheet to identify data that you would need to create your own report that can be used to advocate for your community
