

# ITRC LNAPL Online Training Resources

## Information for the ITRC LNAPL 3-Part Training Series: Connecting the Science to Managing Sites

**Figure 1-1. LNAPL remediation process and evolution of the LNAPL conceptual site model (LCSM).**

Figure 1-1 identifies the evolution of the LCSM, the specific purpose of each LCSM phase, and the tools presented within this guidance to aid in the development of the LCSM. As depicted, the LCSM is the driving force for identifying actions to bring an LNAPL site to regulatory closure. The outlined sections show which part of the process are covered in each part of the training series.
