Seminar Homepage

The screenshot shows the EPA Clean-Up Information website. At the top, there is a navigation bar with the EPA logo, the text "United States Environmental Protection Agency", and "Technology Innovation and Field Services Division". A search box is located on the right. Below the navigation bar is a main header with "Clean-Up Information" and "Contaminated Site". A secondary navigation bar contains links for "Technologies", "Contaminants", "Issues", "Strategies & Initiatives", "Vendors & Developers", "Training & Events", and "Additional Resources".

The main content area features the title "Passive Treatment of Mining-Influenced Water: From Bench Scale to O&M" and is sponsored by the "U.S. EPA Technology Innovation and Field Services Division". The webinar is scheduled for "Monday, November 14, 2016, 1:00 PM-3:00 PM EST (18:00-20:00 GMT)".

Two prominent buttons are visible: "Join Webinar" and "Register". Below these are tabs for "Description", "Presenters", "Webinar Slides", "Related Links", "Feedback Form", and "Tips". The "Description" tab is active, showing text about passive treatment and biochemical reactors (BCRs).

On the right side, there is a "Staying Connected" sidebar with social media icons (Facebook, Twitter, LinkedIn), a "Podcasts" section, and a "NEWS ROOM" icon. Below this is a "Live Events" section with a "Technifool" logo and a "Contact Us" link.

Annotations with arrows point to the "Join Webinar" button, the "Webinar Slides" tab, and the "Feedback Form" tab. A yellow box labeled "Join the seminar online" is positioned to the left of the "Join Webinar" button. Another yellow box labeled "Download Slides" is positioned below the "Webinar Slides" tab. A third yellow box labeled "Feedback" is positioned to the right of the "Feedback Form" tab.

Feedback

Housekeeping

- Join us via Adobe Connect for live broadcast.
- Default Audio is Online via PC Speakers/Headphones.
 - Phone Audio can be requested via Q&A
 - Please remain muted
- Comments, Questions, Tech Issues can be privately submitted in Q&A Window
- The event is being recorded.
- Download/Print webinar certificates by submitting feedback

Certificate of Participation

this is presented to

Jean Balent

for participation in the CU-Info webinar
Estimating Environmental Footprints Using SEFA (Spreadsheets for
Environmental Footprint Analysis)

Sponsored by: EPA Technology Innovation and Field Services Division
Delivered: October 28, 2014 2 Hours
Certificate generated on February 10, 2015

Additional event information may be found at <http://www.cuinfo.org/SEFA>

Webinar Layout

The image shows a screenshot of an Adobe Connect webinar interface. The main content area is a large grey rectangle with a diagonal line pattern, containing a large yellow box with the text "View presentation live online here".

Annotations and callouts include:

- Control online audio:** A yellow box pointing to the "Share 8" button and the audio control icon in the top left.
- Enlarge presentation:** A yellow box pointing to the "Sponsored by" button in the top right.
- Information about Sponsors & Speakers:** A yellow box pointing to the "Sponsored by" section, which displays logos for NIH, NSF, and EPA.
- Related websites and files:** A yellow box pointing to the "Related URLs" section, which lists links like "CLUIN Archive", "Seminar Homepage", "Seminar Resources", "Seminar Feedback", and "NIH ERA page".
- Submit private questions, comments or report technical problems:** A yellow box pointing to the "Q & A" section, which shows a "Message from Moderator" and a text input field.
- Live Closed Captioning:** A yellow box pointing to the "Live Closed Captioning" section at the bottom, which includes a font size dropdown (18 pt), a color dropdown (White (B)), and a "No Captions" button.

The interface also features a top bar with "Meeting" and "Share 8" buttons, and a bottom bar with navigation controls and a "Waiting for Captions" status.
