

Webinar Disclaimer

- This Webinar is provided as part of EPA Region 4's Sustainable Materials Management Webinar in recognition of Earth Day and is intended solely to provide information to the public. The views and opinions expressed as part of this Internet seminar do not necessarily state or reflect those of the U.S. Environmental Protection Agency (EPA). It is not intended, nor can it be relied upon, to create any rights enforceable by any party in litigation with the United States, or to endorse the use of products or services provided by specific vendors. Mention of trade names or commercial products does not constitute endorsement or recommendation of use. Links to non-EPA websites do not imply any official EPA endorsement of or a responsibility for the opinions, ideas, data or products presented at those locations or guarantee the validity of the information provided. Links to non-EPA servers are provided solely as a pointer to information that might be useful to EPA staff and the public.

How Atlanta's Hometown Heroes Are Responding to the Covid-19 Pandemic: Feeding People, Feeding Soils

KIM CHARICK

US EPA REGION 4

APRIL 30, 2020

Region 4 Efforts

- BMPs for Community-Based Composting for GA
- Building Composting Alignment and Infrastructure
- Atlanta CBC Initiative
- Metro-Atlanta Community-Based Composting Council
- Don't Waste Food SC
- Get Food Smart TN

Resources

.
www.epa.gov/sustainable-management-food

- Learn What Businesses, Institutions, Individuals can do to prevent food waste, rescue and share food, or recycle food that can't be eaten.
- Learn About Tools, Tips, News, Factsheets, Partnership programs

Thank you
