Re: Approval of Course for Continuing Education  
South Carolina Professional Geologist  
Triad: Beyond Characterization to Long-Term Management of Groundwater  
Contaminant Plumes

Dear Ms. Balent:

Please be advised the South Carolina Board of Registration for Professional Geologists has approved the above referenced course for two and a half (2.5) hours of continuing education credit for professional geologists registered in South Carolina.

As the sponsor of this course, please provide the persons attending the course the pre-approval code **SCPG 1744**. Participants should write this code on the CE Submission Form so that they will receive proper credit. Please retain a copy of this letter and the pre-approval form for your records.

If there are any questions, please do not hesitate to contact me at 803-896-4675.

Sincerely,

Lenora Addison-Miles, CPM  
Administrator
