

Federal Remediation Technologies Roundtable

Mark Gilbertson
U.S. Department of Energy
Associate Principal Deputy Assistant Secretary
for Regulatory and Policy Affairs (EM-4)

May 26, 2021

Advancing New Technologies

- Translate technical issues and direction into social media platforms for young professionals
- Wearable robotics

Initiatives and Coordination

- Joint technical assistance to a contaminated site with several agencies to improve consistency of responses to similar problems (PFAS?)

Vision for Future of FRTR

- Expanded social media to attract new younger members and ideas
- Improve coordination and communication
