Z--UNDERGROUND FUEL STORAGE TANK REPAIRS (COMBINE)

SOL: P13PS01388

DUE: 072513

POC: David Munford, (202) 245-4468, Fax (202) 426-1835, david_munford@nps.gov.

NAICS: 541990. The National Mall and Memorial Parks (NAMA) manages eight underground storage tanks containing fuel (see table below). As required by Federal and District of Columbia regulations, the tanks have secondary containment, automatic tank gauging systems (ATG, or Veeder-Root), and corrosion protection. During annual testing in 2012, a number of items were identified as requiring repair. NAMA is seeking a certified Veeder-Root service contractor to perform these repairs, in order to comply with regulations and to ensure that proper leak detection is in place. This intended procurement will be for a base year only. Use the search interface at <https://www.fedconnect.net> to locate the solicitation. THIS IS A TOTAL SMALL BUSINESS SET-ASIDE. RESPONSES ARE DUE BY JULY 25, 2013, 03:00 PM EST.

NAICS: 541620. This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. This is a combined synopsis/solicitation for Environmental Services within NAICS 541620, NAICS 562910, or NAICS 562219 prepared in accordance with the information in Federal Acquisition Regulation (FAR) Subpart 12.6 as supplemented with the additional information included in this notice. This announcement is to solicit interest for the establishment of a BPA and constitutes the only solicitation; a written solicitation will not be issued. Responses and quotes are requested. It is the intention of the Government to award a minimum of three (3) Blanket Purchase Agreements (BPAs) to those firms who demonstrate they are capable of providing services to the DDESS area of operation as identified throughout this document. Issuance of actual purchase order will be distributed evenly among BPA holders. THIS REQUIREMENT IS 100% SET ASIDE FOR A SMALL BUSINESS CONCERNS WITHIN THE REFERENCED NAICS CODES. The BPA duration will be for one year and may be extended in one-year increments not to exceed a total of five years for the BPA. The establishment of the BPA does not imply any agreement on the part of the Government to place future contracts or orders with the BPA holder. The Government makes no representation as to the number of calls or actual amount of work to be ordered. Interested firms must identify their interest and capability to respond to the requirements set forth in this solicitation to be considered for award of the solicited BPAs. The awarded BPA will be an agreement capable of fulfilling the requirements of performance work statement DoDEA/DDESS through-out the period of performance. No calls will exceed the amount of \$150,000. The aggregate amount will be approximately \$1,000,000.00 for the total five-year duration of all options. ALL QUOTES ARE TO BE IN ACCORDANCE WITH THE SPECIFICATIONS. Responses to this announcement must include your: (1) past performance information for a minimum of three relevant similar projects to include contact names, addresses, phone numbers, contract numbers as well as a description of the supplies/services provided. (2) published pricelist and or labor rates, and (3) short narrative explaining your ability to perform work. The following Performance Work Statement sets forth the general requirements for providing Environmental Services for multiple schools facilities and plant. 1. GENERAL: Contractor shall provide all personnel, labor, plant, equipment, parts, tools, supplies, personnel, management, transportation and other items necessary to perform environmental assessments and remediation work to include but not specifically limited to compliance inspections under the Federal Asbestos Hazard Emergency Response Act (AHERA) for schools, hazardous material (HAZMAT) assessments (such as asbestos, lead, radon), Indoor Air Quality (IAQ) surveys w/suggested remedial actions, issue reports, provide training as identified by DDESS, accomplish abatement, remediation, and cleanup of contaminated areas (buildings, soil, water), conduct air clearance procedures, repair, maintenance, and replacement of materials as well as disposal of materials located in nine DDESS Schools at Fort Bragg and Pope Air Force Base, North Carolina. The Contractor shall provide advice and assistance on environmental issues as requested, to include but not limited to environmental contamination from pollutants, toxic substances, and hazardous materials. The Contractor shall identify problems thru inspections, measure and evaluate risks, and recommend solutions. 1.1 WORK REQUIREMENTS will be defined in individual scopes of work issued with each order under the specific BPA call, if and when requested by the Government in accordance with the terms and conditions of the awarded contract. 1.2 HOURS OF WORK: The contractor shall accomplish normal on-site services between the hours of 7:30 AM and 4:00 PM, Monday thru Friday, as coordinated with the school logistics office. No work shall be performed on weekends or Federal Holidays without written approval. 1.3 EMERGENCY SERVICES shall be available as needed but is expected to only be required during normal duty hours as specified in paragraph 1.1 above. 1.4 RESPONSE TIME: Normal services shall be responded to as scheduled and coordinated with the school logistics director. Emergency on-site repair services shall be responded to within four (4) hours of being notified of needed services. 2 PERSONNEL: 2.1 Project Manager. The Contractor shall provide a project manager as the point of contact and who shall be responsible for the delivery and performance of the work. The name of this person, and an alternate(s), to include duty hours and telephone numbers, who shall have full authority to act on behalf of the contractor shall be identified prior to contract performance. 2.2 The Project Manager and alternate(s) shall be able to fluently read, write, speak and understand English. 2.3 The Contractor shall be accompanied at all times by personnel of the Fort Bragg School System in compliance with all DOD, Homeland Security, Federal and State laws and regulations. 2.4 Contractor personnel shall wear distinctive clothing bearing the company's name or wear a badge, which contains the company's name and the employee's name, picture and description, clearly displayed at all times while working at Fort Bragg. 2.5 Contractor shall not employ any person who is an employee of the U. S. Government, if the employment of that person would create a conflict of interest. 2.6 The Contractor's employees shall remain fully clothed at all times while performing under this contract; this includes shirts with sleeves, shoes, and long pants. Tank tops and inappropriate tee shirts worn as outerwear are prohibited. 2.7 The Contractor shall be responsible for the conduct and appearance of his employees while working on Fort Bragg. The Contractor will be required to remove from the work site any employee working under this contract for reasons of conduct, security, or found to be or suspected to be under the influence of alcohol, drugs and any other incapacitating agents. Removal from the work site or dismissal from the premises shall not relieve the Contractor of the requirement to provide sufficient personnel to perform the services as required. 2.8 All personnel employed by the Contractor in the performance of this contract, or any representative of the Contractor entering the Government, shall abide by all the regulations of the installation and of the DDESS school systems. 3 VEHICLE REGISTRATION: The Contractor shall comply fully with the vehicle registration requirements regarding contractor-owned and contractor employee privately owned vehicles (POVs) as set forth in Fort Bragg Regulation 190-5. This regulation can be found at <http://www.bragg.army.mil/psbcpm/Information/VehicleRegistration.htm>. Any questions regarding this regulation can be ordered to 910-432-8193. Please be advised that Contractor vehicles and contractor employee POVs will be searched if the appropriate passes/decals are not displayed when entering Fort Bragg Access Control Points (ACPs). All vehicles, including those with passes/decals, are subject to random search at any time. All vehicles without either a military decal or GSA tags are required to enter Fort Bragg through designated Access Control Point (ACP) for inspection. 4 CONTRACTOR FURNISHED ITEMS AND SERVICES: 4.1 Certificates, Licenses, Training and Permits. The Contractor shall, at no additional cost to the Government, obtain all certificates, licenses and permits required for performance of contract work, and for complying with all applicable local, state, and Federal laws, rules and regulations. Contractor shall provide training certificates and authorized factory servicing agreements upon request. 4.2 Reporting Relationship: Upon arrival at the job site, the service personnel will report to and receive direction from the school Facility Manager. The Facility Manager will develop and assign work direction to the service person and assist in the

identification of priorities as necessary. 4.3 Schedule: Contractor shall submit work schedule for government approval prior to start of work. [See the notice at FBO.gov for the QUALITY ASSURANCE SURVEILLANCE PLAN BLANKET PURCHASE AGREEMENT FOR ENVIRONMENTAL SERVICES (FORT BRAGG/POPE AFB, NC) SOLICITATION NUMBER W9126G-13-FB-ENVIRONMENTAL 5 April 2013 DESCRIPTION OF SERVICES.] If you are not registered in the CCR, an award CANNOT be made to your company. You may register electronically at <http://www.ccr.gov>. Registering electronically will expedite the registration process. QUOTES ARE DUE 6 AUGUST 2013 NOT LATER THAN 2:00 P.M. at the Contracting Division Office, ATTN: Charlotte Harris, (817) 886-1074.

MILITARY MUNITIONS RESPONSE PROGRAM (MMRP) SERVICES (PRESOL)

SOL: W9128F-13-R-0038

POC: Lisa A. Sirois, 402-995-2072, USACE District, Omaha, lisa.a.sirois@usace.army.mil.

POP: USACE District, Omaha 1616 Capital Ave, Omaha NE 68102-4901.

WEB: FBO.gov Permalink at <https://www.fbo.gov/spg/USA/COE/DACA45/W9128F-13-R-0038/listing.html>

NAICS: 562910. On or about 15 August 2013, the U.S. Army Corps of Engineers, Omaha District will issue a Request for Proposal for Military Munitions Response Program (MMRP) Services in support of the Northwestern Division and its existing customers. This solicitation will be set aside for small business participation only under the NAICS Code 562910 with a size standard of 500 Employees. SCOPE: The contract awarded under this solicitation will be an Indefinite Delivery, Indefinite Quantity (IDIQ) Single Award Task Order Contract (SATOC) for Military Munitions Response Program (MMRP) Services in support of the Northwestern Division and its existing customers. The Scope of Services to be performed under this ID/IQ Contract includes those required to comprehensively perform Military Munitions Response (MRR) actions at munitions response areas (MRA)/munitions response sites (MRS). The scope also includes all associated activities essential and incidental to successful execution of the required tasks. Task Orders (TO) for specific tasks under this contract will be negotiated and awarded as necessary. Contractor shall be familiar with, understand, and have prior experience executing projects within the regulatory process (CERCLA/RCRA) and phases (i.e., PA, SI, EECA, RI/FS, NTCRA, TCRA, etc.) normally utilized to perform military munitions response actions. Contractor shall be familiar with, understand and have prior experience in performing the specific tasks anticipated to be performed under this contract to include, but not limited to the following. (1) Historical records review (HRR) (2) Visual surveys (3) Geophysical mapping and associated activities (4) Military munitions removal/remedial actions and associated activities (5) Explosive Safety Submission (ESS) or Explosive Site Planning (ESP) preparation (6) Explosives management (siting, use, etc) (7) Munitions debris handling and disposal (8) Anomaly avoidance (9) Construction support (10) Munitions constituent sampling (11) Small arms range investigation (12) Small arms range removal/remedial actions (13) X-ray fluorescence (14) Community relations support (15) Reporting (16) Geographical information system (GIS) support for project activities PROCEDURE: One contract will be awarded to the offeror submitting a proposal determined to be the best value to the Government; price, and other factors considered. In any case, the Government may not award any contract if the resulting contract would not represent a best value to the Government using trade-off selection procedures as required by AFARS Subpart 5115.1 -- Source Selection Processes and Techniques. This will be a Single Award Task Order Contract with a performance period of five years (3-year base period plus one 2-year option period). There is no limit of the number of Task Order(s) that may be executed, but in no case shall the sum of all Task Order(s) executed exceed \$9,900,000.00. ADDITIONAL INFORMATION: No responses to this presolicitation are required. All information required for submission of an offer will be identified in the RFP when issued. All responsible sources may submit an offer, which will be considered. This synopsis is not to be construed as a commitment by the government. Any costs incurred as a result of a response to this announcement shall be borne by the firm and will not be charged to the government for reimbursement. The RFP will be electronically issued using the Army Single Face to Industry (ASFI) Acquisition Business website, <https://acquisition.army.mil/asfi/>. When issued, the RFP may also be viewed via Federal Business Opportunities (<https://www.fbo.gov>). Written, telephonic, or fax requests for a solicitation package will NOT be accepted. Once the solicitation is posted, it is incumbent upon the interested parties to review this site frequently for updates or amendments to any and all documents. All Offerors must be registered in the System for Award Management <https://www.sam.gov/>, prior to receiving any award. POINT OF CONTACT: Lisa A. Sirois, Contract Specialist, lisa.a.sirois@usace.army.mil, (402) 995-2072.
