

# Federal Business Opportunities (FedBizOpps) Update

Notices for July 7-13, 2014

This update contains summaries of procurement notices issued between July 7-13, 2014 that pertain to hazardous waste, investigation and cleanup of environmental contamination, and related environmental topics. However, it does not necessarily contain EVERY notice on these topics.

If you would like to search for additional current and archived notices, or receive notification of solicitation amendments, please visit the [FedBizOpps web site](#).

## ACS HAZARDOUS WASTE REMOVAL IN FLORIDA (COMBINE)

**SOL:** D-14-SS-0485

**DUE:** 071714

**POC:** Kaitlyn M Mahafkey, [kaitlyn.m.mahafkey@usdoj.gov](mailto:kaitlyn.m.mahafkey@usdoj.gov), 202-307-7888.

**WEB:** FBO.gov Permalink at <https://www.fbo.gov/spg/DOJ/DEA/OAM/D-14-SS-0485/listing.html>

**NAICS:** 562211. The Drug Enforcement Administration (DEA) requires services to pack, transport and dispose Hazardous Waste for the Authorized Central Storage (ACS) Program within the Florida Region. The applicable NAICS code is 562211, Hazardous Waste Treatment and Disposal. The Small Business Size Standard is \$35,000,000.00. THIS IS A TOTAL SMALL BUSINESS SET-ASIDE. The successful contractor will be responsible for providing required services to include, but not limited to, waste removal, disposal supplies and transportation to each location within the Florida Region. The contractor shall provide all management, supervision, personnel, quality control, and security and demonstrate that sufficient resources allocated to perform hazardous waste removal in order to successfully perform the required services. DEA requests the following: 1. Eight (8) ACS Container Sites in Florida. 2. The contractor shall replace all Department of Transportation Performance-Oriented Packaging (DOT POP) open top containers, from each location on a one-for-one exchange. (See ACS Service Agreement). 3. All of the 5 gallon DF containers shall be replaced with only "new" open top DF containers rated at the Packing Group I performance and meets the specifications in accordance with the DOT 49CFR 178.500, Subpart 1. This solicitation number D-14-SS-0485 is being issued as a Request for Quotation (RFQ). This RFQ document and incorporated provisions and clauses are those in effect through Federal Acquisitions Circular FAC 2005-74. This acquisition incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. The full text of a clause may be accessed electronically at <https://www.acquisition.gov>. The Government anticipates award of a single Fixed-Price purchase order. All questions regarding this RFQ should be directed to Kaitlyn Mahafkey at [Kaitlyn.M.Mahafkey@usdoj.gov](mailto:Kaitlyn.M.Mahafkey@usdoj.gov) by July 15, 2014 at 12:00 pm Eastern Time. FINAL QUOTATIONS MUST BE RECEIVED BY JULY 17, 2014 AT 12:00 PM EASTERN TIME. The government intends to procure these services in accordance with FAR Part 12 Commercial Items procedures. It is anticipated that this acquisition will result in the award of a single, Firm-Fixed Price Purchase Order. The RFQ is only available through the Federal Business Opportunities (FBO) website. Prospective offerors are responsible for downloading the RFQ and all attachments. It is the offeror's responsibility to monitor FBO for the release of any amendments. All quotes shall be submitted electronically to [Kaitlyn.M.Mahafkey@usdoj.gov](mailto:Kaitlyn.M.Mahafkey@usdoj.gov). No late submissions will be accepted.

## R--STORMWATER POLLUTION PREVENTION PLAN FOR FORT BELVOIR, VIRGINIA (COMBINE)

**SOL:** W91QV1-14-R-0039

**DUE:** 071714

**POC:** Kenneth Lutes, 703-806-4945, [kenneth.l.lutes.civ@mail.mil](mailto:kenneth.l.lutes.civ@mail.mil).

**WEB:** FBO.gov Permalink at <https://www.fbo.gov/notices/6a6c27aa91cea1e83c30641cef89ab91>

**NAICS:** 541620. This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. The Directorate of Public Works - Fort Belvoir (DPW-FB) requires a Master Stormwater Pollution Prevention Plan (SWPPP) specifically addressing the 2013 - 2018 Municipal Separate Storm Sewer System (MS4) Permit requirements for SWPPP development. THE REQUIREMENT IS A TOTAL SMALL BUSINESS SET ASIDE and the associated NAICS code is 541620. The size standard is \$14 million. Offerors shall include a completed copy of the provision at 52.212-3, Offeror Representations and Certifications -- Commercial Items, with its offer. The Government will award a firm-fixed price contract from this solicitation. The period of performance is anticipated to be 28 July 2014 through 27 July 2015. The Government intends to evaluate offers and award a contract without discussions, but the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. Questions pertaining to this requirement are due no later than 5:00 PM Eastern Time on 10 July 2014. Questions shall be emailed to the Contract Specialist, Kenneth Lutes at [Kenneth.l.lutes.civ@mail.mil](mailto:Kenneth.l.lutes.civ@mail.mil) and the Contracting Officer, Karen McKeivitt at [Karen.e.mckevitt.civ@mail.mil](mailto:Karen.e.mckevitt.civ@mail.mil). THE COMPLETED PROPOSAL IS DUE NO LATER THAN 3:00 PM EASTERN TIME ON 17 JULY 2014. Proposals shall be submitted electronically to Kenneth Lutes and Karen McKeivitt at the email addresses above. It is the sole responsibility of the offeror to review the FEDBIZOPPS site for any amendments or updates. No information concerning this RFP or request for clarifications will be provided in response to telephone calls. Please see attached solicitation for RFP instructions, descriptions and other pertinent information pertaining to this Request for Proposal. PERIOD OF ACCEPTANCE OF OFFERS: The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an amendment to the solicitation. LATE OFFERS: Proposals or modifications of proposals received at the addresses specified for the receipt of offers after the exact time specified for receipt of proposals WILL NOT be considered.

**NAICS:** 562211. This is a combined synopsis/solicitation for commercial services prepared in accordance with the format in FAR Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation for a request for quote; proposals are being requested and a separate written solicitation will not be issued. The NAICS Code is 562211. The small business size standard is \$35.5M. THIS ACQUISITION IS UNRESTRICTED. This is a firm-fixed-price contract for a base period of 12 months with two 12-month option periods. Partial proposals will not be accepted. Pricing for all line items must be submitted with the proposal. The purpose of this contract is to remove and properly dispose of liquid, sludge and solids in various trenches, sumps and other collection points located on the Defense Supply Center Richmond. The contractor shall be familiar with tube replacement of all boilers on DSCR. The Contractor shall provide all labor, equipment, tools, materials, replacement parts, and supervision necessary to perform the work complete and in accordance with the terms and conditions specified here within. The Contractor shall assure that Contractor Personnel completely understand the requirements of the SOW, which contains all additional requirement details. QUOTES ARE DUE BY CLOSING DATE: JULY 18, 3:00 PM, ET. All inquiries must be submitted 3 working days prior to closing date. Acceptable method of quote or inquiries submission is email. Point of contact for this synopsis/solicitation is Mr. Jason Elliott at (804) 279-3659 or [Jason.Elliott@dla.mil](mailto:Jason.Elliott@dla.mil)

**NAICS:** 541380. This Sources Sought is published for market research purposes. This market research will be used to determine if a set-aside for any small business program is appropriate. Dobbins ARB has been tasked to solicit for and award a procurement for Environmental Sampling Services at Dobbins ARB. Proposed project anticipates a competitive, firm-fixed-price contract. Prospective small business offerors can complete and return a CAPABILITIES STATEMENT, which will be used to identify firms who possess both the capability and experience to provide Environmental Sampling Services at Dobbins ARB. The Government is in no way obligated to do business with or to enter into any form of contract with any person, firm, or other entity that receives or responds to this announcement. The Government anticipates a competitive acquisition for this award. The contractor shall provide all personnel and materials needed to provide Environmental Sampling Services in accordance with the Statement of Work. In addition to the information requested, responding parties must also indicate their size in relation to the applicable North American Industry Classification System (NAICS). The NAICS Code is 541380 with a Size Standard of \$14,000,000.00 in revenue. The period of performance shall be for one (1) Base Year of approximately 12 months and one (1) 12-month option year. Under FAR 52.219-14, Limitations on Subcontracting, the prime contractor must perform at least 50% of the cost of contract performance incurred for personnel. Prior Government contract work is not required for submitting a response under this sources sought synopsis. The official Synopsis citing the solicitation number will be issued on Federal Business Opportunities ([www.fbo.gov](http://www.fbo.gov)) inviting firms to register electronically to receive a copy of the solicitation when it is issued. INTERESTED FIRMS SHALL RESPOND TO THIS SOURCES SOUGHT NO LATER THAN 4:00 PM ET ON 24 JULY 2014 (email preferred). All interested firms must be registered in System for Award Management (SAM) to be eligible for award of Government contracts. Email your response to [Shelby.cook.2@us.af.mil](mailto:Shelby.cook.2@us.af.mil) and [Thomas.milloy@us.af.mil](mailto:Thomas.milloy@us.af.mil).

**HAZARDOUS WASTE DISPOSAL SERVICES (SRCSGT)**

**SOL:** W912JB14T8001

**DUE:** 072514

**POC:** Jonathan D. Bodus, [jonathan.bodus@ang.af.mil](mailto:jonathan.bodus@ang.af.mil), 989-354-6586.

**WEB:** FBO.gov Permalink at <https://www.fbo.gov/spg/USA/NGB/DAHA20-3/W912JB14T8001/listing.html>

**NAICS:** 562112. The purpose of this solicitation and any resulting Blanket Purchase Agreement (BPA) is to procure hazardous waste disposal services at the 110th Air Wing, in Battle Creek, MI. The Government intends to issue a BPA in accordance with Simplified Acquisition procedures, Part 13 of the FAR, to support the base's operational needs. The MI ANG intends to award one BPA covering a 5 year period. Estimated calls per year are between 6 and 10, but no minimum is guaranteed. Read the Additional Documentation attached to the notice at FBO.gov for information on how this BPA will function. Please note that a BPA is not a contract. A BPA is a streamlined method for acquiring services on an as-needed basis from qualified sources that are readily available and thus eliminate the need for repetitive costly procurements. There is no minimum or maximum guaranteed quantity. All calls/orders must be acknowledged by the selected vendor in order to be retained on the BPA calling list. The Government will not be issuing a formal Request for Proposal (RFP) because this notice will result in BPAs. In addition, the Government does not intend to pay for any information provided under this notice. The Government is not obligated to notify respondents of the results of this notice. All questions and quotes must be directed to SMSgt Jonathan Bodus at: [jonathan.bodus@ang.af.mil](mailto:jonathan.bodus@ang.af.mil). Questions will not be answered after Friday, 18 July 2014. Price list must be valid for initial BPA period. Emailed price lists are preferred. QUOTES MUST BE RECEIVED BY NO LATER THAN 1:00 PM ET, FRIDAY, 25 JULY 2014.

**NAICS:** 562211. This is a Request for Quote (RFQ) and the Solicitation number is W52P1J-14-T-0022. Incorporated provisions and clauses are those in effect through Federal Acquisition Circular 05-75. THE REQUIREMENT IS FOR FULL AND OPEN COMPETITION. The NAICS Code is 562211, Hazardous Waste Treatment and Disposal, with a business size standard of \$35.5M. The Government contemplates the award of a Firm-Fixed-Price (FFP) purchase order. This procurement is being conducted using the Simplified Acquisition Procedures authorized in FAR Part 13.5, Test Program for Certain Commercial Items. This procurement will be evaluated as Lowest Priced, Technically Acceptable (LPTA). DESCRIPTION OF REQUIREMENT: This solicitation is for the disposal of Depleted Uranium (DU) contaminated materials from a manufacturing facility in Tennessee in accordance with the Performance Work Statement (PWS), dated 30 June 2014, in Attachment 0001. The Quality Assurance Surveillance Plan, dated 30 June 2014, is included as Attachment 0002. This solicitation is for disposal only. The offeror will NOT be responsible for any transportation of the waste to their licensed disposal facility. The waste will be packaged in accordance with Department of Transportation regulations. Shipment of the waste to the receiving facility shall be completed by 31 December 2014 in coordination with the contractor performing brokerage services. QUOTATIONS ARE DUE BY 3:00 PM (CENTRAL TIME) ON 29 JULY 2014. All submissions will be done electronically via email to: Phil Kantor, [phillip.i.kantor.civ@mail.mil](mailto:phillip.i.kantor.civ@mail.mil) and Cindy Wagoner, [cindy.k.wagoner.civ@mail.mil](mailto:cindy.k.wagoner.civ@mail.mil). Any questions should be submitted via email to Phil Kantor at the above email address.

#### **C--INDEFINITE DELIVERY CONTRACT FOR AE SERVICES FOR THE REGIONAL ACQUISITION ENVIRONMENTAL TOOLS (REAT), SOUTH ATLANTIC DIVISION, U.S. ARMY CORPS OF ENGINEERS TO PROVIDE ENVIRONMENTAL SUPPORT TO MILITARY, CIVIL, AND FEDERAL AGENCIES. (COMBINE)**

**SOL:** W91278-14-R-0051

**DUE:** 082114

**POC:** Kyle M. Rodgers, 251-690-3356, [kyle.m.rodgers@usace.army.mil](mailto:kyle.m.rodgers@usace.army.mil); Jeffrey H. Johnson, 109 St. Joseph Street, Mobile, AL 36602.

**WEB:** FBO.gov Permalink at <https://www.fbo.gov/spg/USA/COE/DACA01/W91278-14-R-0051/listing.html>

**NAICS:** 541330. This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Subpart 12.6, as supplemented with additional information included in the official notice at FBO.gov. A-E services are required for an IDC to provide professional environmental engineering and service support or manage numerous environmental initiatives for military, civil, and federal agencies. It includes engineering services to support military and civil environmental programs for Headquarters, Department of Defense; U.S. Air Force; U.S. Army; U.S. Army Reserves; U.S. Army National Guard; U.S. Navy; U.S. Marine Corps; and Defense Logistics Agency projects; U.S. Army Corps of Engineers Federal military and civil works projects; Department of Homeland Security; National Institutes of Health; Centers for Disease Control; U.S. Environmental Protection Agency; and other Federal and state agency projects. The contractor will be required to perform services at federal/military projects throughout the world, including the Continental United States, its territories, South and Central America and other world nations. THIS ANNOUNCEMENT WILL RESULT IN MULTIPLE AWARDS BEING MADE FROM SMALL BUSINESS SET-ASIDE. There will be

three (3) POOLS established: POOL A Conservation/NEPA; POOL B Compliance/Pollution Prevention; and POOL C Hazardous Toxic Radioactive Waste (HTRW)/Design. Each firm responding to this solicitation MUST indicate the POOL (A, B or C) to which its response applies. Multiple awards within each POOL will be made from this solicitation. The contracts will be awarded for a term not to exceed a total of five (5) years. Work under this contract will be subject to satisfactory negotiation of individual task orders, with the total shared capacity value for the 3 POOLS (A,B, and C) not to exceed \$99,000,000 over the 5-year life of the contract. A firm-fixed-price contract will be negotiated. A firm could be selected to receive an award in each of the three POOLS. Rates will be negotiated for each 12-month period of the contract. The small business size standard is a maximum of \$14 million of average annual receipts for its preceding 3 fiscal years. The NAICS code for this action is 541330. Interested Architect-Engineer firms or joint ventures having the capabilities to perform this work as a prime contractor, may submit ONE (1) completed, bound paper copy of their SF 330 Proposal (Architect-Engineer Qualifications) for each POOL (A, B, and/or C) for which the firm wishes to be considered. SUBMITTALS MUST BE RECEIVED NO LATER THAN 3:00 P.M. CENTRAL TIME ON AUGUST 21, 2014.

**NAICS:** 562910. This synopsis is not a request for quotes or proposals. This is a notice that a solicitation for a competitive acquisition for the award of one firm-fixed price contract is scheduled to be released via FedBizOpps ([www.fbo.gov](http://www.fbo.gov)) in the near future. The Technical Specifications will be detailed in the solicitation. This announcement is for information and planning purposes only and is not to be construed as a commitment by the Government, implied or otherwise, to issue a solicitation or award a contract. Quotes will be due approximately 15 days from the date the solicitation is issued; however, the 15 day time frame is an estimate and subject to change. The definitive quote due date and time will be stated in the solicitation and any associated amendments that may be issued. No CDs or hard copies will be available. Offerors are responsible for checking the referenced page for any update(s) to the Notice. The Government is not responsible for any loss of Internet connectivity or for an offeror's inability to access the document posted at the referenced website. Summary of Work: The purpose of this contract is remove all paint, scale, and rust from the metal surfaces of Five (5) Oregon Fish Ladder Rotovalves, Six (6) Oregon Fish Ladder Rotovalve Long Elbows, Four (4) Fish Pumphouse Stoplog Guide Slot Covers, and Eight (8) Navigation Lock Tainter Valve Bulkheads. Paint and scale being removed is considered to be heavy metals based with levels above the permissible exposure limits. All paint removal shall conform to 29 CFR 1910.1025 and 29 CFR 1926.62. A site visit is planned for 22 July 2014 at the McNary Lock and Dam. There will be only one site visit offered. THE SOLICITATION IS SCHEDULED TO BE ISSUED 100% SMALL BUSINESS.

**SOL:** FA4620-14-T-A130

**POC:** Matthew E. Rumpitz, [matthew.rumpitz@us.af.mil](mailto:matthew.rumpitz@us.af.mil), 509-247-4866; Ed Campbell, Contracting Officer, [edward.campbell.2@us.af.mil](mailto:edward.campbell.2@us.af.mil), 509-247-1970, Fax: 509-247-8685.

**WEB:** FBO.gov Permalink at <https://www.fbo.gov/spg/USAF/AMC/92CONS/FA4620-14-T-A130/listing.html>

**NAICS:** 541620. This is a presolicitation notice to provide Leak Detection Equipment and Monitoring Services for Underground Storage Tanks and Associated Piping at Fairchild AFB in accordance with the Performance Work Statement (PWS), see Attachment 1. This acquisition will be solicited using FAR Parts 12, 13, and 15. The government will award a Firm-Fixed Price contract using best value. Initially proposals will be evaluated for their ability to meet the government's proposed salient characteristics as stated in the Performance Work Statement. Next proposals will be evaluated by price and recent and relevant past performance. Offers that meet the salient characteristics will be placed in order by price and graded on past performance. Each of these grading factors is approximately equal to the other. This acquisition will be unrestricted. The applicable NAICS code is 541620. THE SOLICITATION WILL BE ISSUED ON OR ABOUT 28 JULY 2014 ON FEDERAL BUSINESS OPPORTUNITIES at [www.fbo.gov](http://www.fbo.gov). The closing date and time for submission of offers will be contained in the solicitation package. When the solicitation is posted it is imperative interested parties review the site frequently for any updates/amendments. Paper copies will not be available. All prospective offerors must be registered in the System for Award Management (SAM) at [www.sam.gov](http://www.sam.gov). Lack of SAM registration will make an offeror ineligible for award. The Unit Small Business Specialist is Mr. Michael Gilbert, at 509-247-4880; link to USAF Small Business, <http://www.selltoairforce.org>; link to SBA, <http://sba.gov>. Payment for services will be through Wide Area Workflow, the standard DOD electronic invoicing system. To allow potential offerors a better opportunity to understand the requirement a draft copy of the Performance Work Statement is included with the presolicitation notice at FBO.gov. Pre-proposal inquiries must be submitted via email to the contract administrator. Those questions will be answered after the solicitation is released and the questions and answers will be available to all offerors. The contract administrator for this acquisition is SSgt Matthew Rumpitz [matthew.rumpitz@us.af.mil](mailto:matthew.rumpitz@us.af.mil). The contracting officer is Mr. Edward Campbell: [edward.campbell.2@us.af.mil](mailto:edward.campbell.2@us.af.mil).

**NAICS:** 561210. A bridge contract for Caretaker Support Services, contract W52P1J-10-C-5052, at Stratford Army Engine Plant (SAEP) will be issued to the current contractor, ABM Government Services (previously Ferguson-Williams, Inc.). ABM Government Services has extensive knowledge of the installation and the processes in place to continue providing current services. This knowledge is vital in providing support to the contentious ongoing negotiations with Connecticut Department of Energy and Environmental Protection (CTDEEP) regarding remediation of contaminated sediments. ABM has the experience and skills required to handle the complex and large capacity distribution systems and operations requirements of SAEP. ABM Government Services has the knowledge and personnel to perform the required environmental testing, permitting, reporting, application, and monitoring with environmental compliance, hazardous waste handling, and operation of active pollution control systems, in addition to experience in operating high voltage electrical systems, high-pressure steam systems, storm water pollution control and pumping systems, fire protection and alarm systems, and other utilities. This bridge contract will support the Army's legal obligation to maintain and service the installation until the property is sold and transferred. The Defense Base Closure and Realignment Act of 1990 require that BRAC locations be properly maintained and property environmentally restored until it is sold and transferred. ABM Government Services is currently entrenched in performing the environmental remediation work to resolve issues with the CTDEEP that no other contractor could. The anticipated period of performance is 12 months (includes a 6-month option). This action will result in a Firm Fixed Price contract. The NAICS code for this requirement is 561210, Facilities Support Services, with a size standard of \$35.5M.

**NAICS:** 562112. THIS PROCUREMENT WILL BE SET ASIDE FOR A SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS. Contractor shall furnish all labor, materials, supplies, equipment, transportation and qualified personnel for the packaging, transport, and disposal of hazardous waste from the Southern Arizona VA Health Care System medical campuses, located in Tucson, Arizona. There will be approximately twelve (12) pickups per year and are anticipated to be scheduled each year on dates that meet the requirements of applicable EPA regulations and the needs of the respective facility, a small quantity generator. Wastes will be shipped out frequently enough to ensure that the facility does not exceed storage timeframes to remain in a small quantity generator. This contract will cover a wide variety of waste streams, including chemical, chemotherapeutic, and universal (batteries, fluorescent bulbs, mercury, and non-empty and empty aerosol cans), etc., but will not include the disposal of radioactive materials, PCBs, or biological waste.
