

Federal Business Opportunities (FedBizOpps) Update

Notices for November 9-15, 2015

This update contains summaries of procurement notices issued between November 9-15, 2015 that pertain to hazardous waste, investigation and cleanup of environmental contamination, and related environmental topics. However, it does not necessarily contain EVERY notice on these topics.

If you would like to search for additional current and archived notices, or receive notification of solicitation amendments, please visit the [FedBizOpps web site](#).

DEGREASING SOLVENT TANKS (SRCSGT)

SOL: W9098S-16-T-9016

DUE: 111715

POC: John Jacobsen, john.e.jacobsen16.civ@mail.mil, 309-782-5149.

WEB: FBO.gov Permalink at <https://www.fbo.gov/notices/dfcdb83d8d311961ec8a407f01f0d3ac>

NAICS: 562211. The purpose of this Sources Sought/Market Research is to identify potential sources capable of providing the following services: (1) On a regularly scheduled basis, remove and dispose of dirty solvent and sludge, and replenish with clean product. The request product is PD 680 Type II, shall be a recycled product and shall meet Mil Spec A-A 596601. (2) Provide all needed inspection and maintenance on the parts washers. The vendor will check and repair such items as damaged hoses, electrical wiring, and fusible link covers. The vendor will respond to all emergency-type calls as required. The solvent tanks are part washers, which vary from 5 gallon to 150 gallon in capacity. RESPOND NO LATER THAN 3:00 PM CT ON NOVEMBER 17, 2015, by email to John Jacobsen at john.e.jacobsen16.civ@mail.mil This is a market survey for planning purposes only and shall not be construed as a Request for Quote or as an obligation on the part of the Government. The Government does not intend to award a purchase order on the basis of this market survey or otherwise pay for information solicited. Rock Island Arsenal will only utilize the responses provided in developing its acquisition approach for future requirements.

LITTLE ROCK AIR FORCE BASE & COLUMBUS AIR FORCE BASE MULTIPLE AWARD CONSTRUCTION CONTRACT (MACC) (SRCSGT)

SOL: FA4460-16-R-0002

DUE: 112015

POC: Johnathan S. Anderson, Contracting Specialist, johnathan.anderson.2@us.af.mil, 501-987-6470; Barry G. Jundt, Contracting Officer, barry.jundt@us.af.mil, 501-987-3853, Fax: 501-987-8119.

WEB: FBO.gov Permalink at <https://www.fbo.gov/notices/2e2c03f5231951ea4a2e8d9864e80b45>

NAICS: 236220, 237990, 562910. A MACC is an IDIQ contract that is awarded to multiple contractors. Task orders for individual construction projects are then competed amongst the pool of contractors and evaluated based on price. This notice is a sources sought synopsis to solicit information from any firms that have an interest in submitting an offer as a Prime Contractor for a MACC to be performed at both Little Rock AFB in Arkansas and Columbus AFB in Mississippi. Each contract awarded will contain a basic 12-month period and four 12-month option periods. Anticipated task orders will be firm fixed price with a magnitude up to \$10M. The total contract value for the MACC is not to exceed \$225M over a five-year period. The work consists of a broad range of construction tasks, including but not limited to new construction of buildings and structures; alteration and repair of buildings, structures, roads, grounds, roofs, specialty construction, and utilities, including JP-8/Jet-A fuel systems; and miscellaneous services, including hazardous material removal (i.e., asbestos, lead-based paint, etc.). The MACC falls under a variety of NAICS code classifications: Sector 23 Construction, Subsector 236 Construction of Buildings (Size Standard \$36.5M); Subsector 237 Heavy and Civil Engineering Construction, (Size Standard \$36.5M except Land Subdivision \$27.5M and Dredging and Surface Cleanup Activities \$27.5M), noting that for NAICS 237990 -Dredging- to be considered small for purposes of Government procurement, a firm must perform at least 40 percent of the volume dredged with its own equipment or equipment owned by another small dredging concern; Subsector 238 Specialty Trade Contractors (Size Standard \$15M); Sector 56 Administrative and Support and Waste Management and Remediation Services, Subsector 562 Waste Management and Remediation Services, NAICS Code 562910 Remediation Services, Environmental Remediation Services (Size Standard 500 Employees). All interested and qualified firms may respond to this sources sought notice with a capability statement similar to the marketing package used in the everyday course of doing business. Oral communications ARE NOT acceptable in response to this notice. Submit capability statements in written format via email by or before 4:30 PM CT on November 20, 2015, to johnathan.anderson.2@us.af.mil with a courtesy copy to barry.jundt@us.af.mil.

Depending upon the response to this notice and other market research, 19 CONS could limit the competition to a specific category of small business at the exclusion of all other potential business concerns; otherwise, the acquisition likely would be solicited on an unrestricted basis. Limit submissions to 10 pages or less.

FIRING RANGE MAINTENANCE IN JAMAICA, NY (COMBINE)

SOL: HSBP1016Q0007

DUE: 112015

POC: Gary M. Orr, Gary.Orr@dhs.gov.

WEB: FBO.gov Permalink at <https://www.fbo.gov/spq/DHS/USCS/FPSB/HSBP1016Q0007/listing.html>

NAICS: 811310. The Department of Homeland Security, Customs and Border Protection, Indianapolis, Indiana, intends to award a contract for Firing Range Repair and Maintenance Services. The range is new; hence, there has been no opportunity to measure removed material. The range has five shooting lanes, and the entire size of the range from the bullet trap to the end of the control room is approximately 20'x100'. There is a one-time requirement for removal of ceiling insulation. See the details in the attachments to the FedBizOpps notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. The NAICS code for this procurement is 811310, with a small business size standard of \$7.5M. THIS PROCUREMENT IS A TOTAL SMALL BUSINESS SET-ASIDE. A site visit is scheduled for November 18, 2015, at 10:00 AM ET. Period of performance shall be one base year plus four one-year options. OFFERS ARE DUE BY OR BEFORE 12:00 PM ET ON NOVEMBER 20, 2015.

PROGRAM/PROJECT MANAGEMENT & TECHNICAL SUPPORT FOR US ARMY RHC-P (SRCSGT)

SOL: W912DY-16-R-0008

DUE: 120415

POC: Betty J. Guillot, Contract Specialist, betty.guillot@usace.army.mil, 256-895-5487.

WEB: FBO.gov Permalink at <https://www.fbo.gov/spg/USA/COE/DACA87/W912DY-16-R-0008/listing.html>

NAICS: 561210. The Government seeks to identify qualified small and large business sources under 2012 NAICS code 561210 (Facilities Support Services). The small business size standard is \$38.5M. This notice is for market research purposes only and IS NOT a request for proposal (RFP), nor does it restrict the Government as to the ultimate acquisition approach. The US Army Engineering and Support Center in Huntsville, Alabama (CEHNC), Project Support Services Program intends to solicit and award a single-award task-order contract (SATOC) for Program/Project Management and Technical Support Services for the U.S. Army Regional Health Command-Pacific (RHC-P), with a 12-month base period and two 12-month option periods for a total of three years. The contract capacity over that period is expected to be \$9.9M. The Contractor shall provide Program Management technical support in monitoring, evaluating, and providing comprehensive technical analysis of quality assurance and in documenting compliance with various safety and health laws, regulations, and policies, such as OSHA and The Joint Commission (TJC) requirements, and with laws, regulations, and policies related to infection control, asbestos, lead-based paint, and hazardous material and hazardous waste (to include medical waste). This shall include Technical Support to Program Management to ensure compliance with various federal, state, and local legal and regulatory requirements as they apply to the various MEDCOM program areas, issues, and initiatives at facilities under the operational control of the RHC-P. Task orders will primarily be awarded for work performance of RHC-P requirements in Hawaii; however, RHC-P may also require support overseas locations within the Pacific Region, which could include Alaska, Japan, and Korea. Task-order awards will be firm-fixed-price services with reimbursable travel. THIS REQUIREMENT WILL BE PROCURED AS UNRESTRICTED, FULL AND OPEN COMPETITION. Interested firms who meet the identified capability requirements are invited to respond to the questions presented in this notice. If no experience or capabilities are associated with a particular question, so indicate. Submit responses via email to betty.guillot@usace.army.mil. SUBMISSIONS MUST BE RECEIVED BY 1600 CT ON DECEMBER 4, 2015.

NAICS: 562910. The Environmental Services and Operations (ESO) contracts are one of three contract suites that comprise U.S. EPA's new Superfund Remedial Acquisition Framework, along with Design and Engineering Services (DES) (SOL-HQ-14-00022) and Remediation Environmental Services (RES) (SOL-HQ-14-00023). EPA is providing additional information to businesses interested in the future procurement for Environmental Services and Operations (ESO) under the Remedial Acquisition Framework. Interested businesses are invited to review the draft request for proposals (RFP) attached with 13 other PDF files to the notice at FedBizOpps. EPA requests submittal of comments, questions, suggested changes, and other feedback by 5:00 PM ET on December 21, 2015. EPA does not anticipate posting responses to the feedback received, but this input may be considered in developing the final RFP. Email all comments, questions, suggested changes, and feedback to the Contracting Officer at ottariano.michael@epa.gov.

NAICS: 562910. The Federal Bureau of Prisons (BOP) anticipates the future issuance of solicitation IFBP01091600001 for the award of a firm-fixed-price construction contract for Attic Asbestos Abatement (Phase III) at the United State Penitentiary (FMC Lexington), located in Lexington, Kentucky. FMC Lexington is a federal correctional facility located at 3301 Leestown Road, 40511. The project consists of furnishing all equipment, materials, and labor for the complete construction of the work. A Statement of Work/Specifications will be attached to the solicitation posting WHEN IT IS ISSUED ON OR ABOUT NOVEMBER 25, 2015, at FedBizOpps. The performance period for the project will be 180 calendar days from issuance of the notice to proceed. Pursuant to FAR 36.204, the estimated magnitude of the project lies between \$250,000 and \$500,000. THIS REQUIREMENT IS A 100 PERCENT SMALL BUSINESS SET-ASIDE, NAICS code 562910, with a corresponding small business size standard of \$20.5M.

NAICS: 562910. This Environmental Remediation Services (ERS) Contract will support work assigned to EPA Region 2 customers and customers within the Northwestern Division of the Army Corps of Engineers (USACE) for hazardous, toxic, and radioactive waste (HTRW) remediation projects for both civilian and military agencies of the federal government. This contract for environmental response actions will include service and construction activities mandated by the Defense Environmental Restoration Program (DERP), Superfund, environmental compliance and pollution prevention projects under the DoD Environmental Quality Program, Formerly Utilized Sites Remedial Action Program, environmental cleanup activities under the Base Realignment and Closure Program, Department of Homeland Security and FEMA, Brownfields, and other environmental and homeland security laws and regulations requiring support activities for military installations, Corps' civil works projects, and work for other federal agencies. The DERP projects will include Installation Restoration Program activities on active Army and Air Force installations and on Formerly Used Defense Sites. It is anticipated that the majority of the work will be conducted within EPA Region 2. THIS PROCUREMENT WILL BE A SMALL BUSINESS IDIQ MATOC. Architect-Engineer contracts under FAR Subpart 36.6 will not be awarded under this contract. THE SOLICITATION WILL BE ISSUED ON OR AFTER DECEMBER 1, 2015. The solicitation is expected to result in the award of two MATOC pools for ERS under NAICS code 562910. The two MATOC pools will include \$60M each in shared capacity. Both firm-fixed-price and cost-reimbursement task orders may be issued. The Government intends for five contractors to receive awards, although the agency reserves the right to award more or less than five contracts.
