Federal Business Opportunities (FedBizOpps) Update

Notices for April 20-26, 2015

This update contains summaries of procurement notices issued between April 20-26, 2015 that pertain to hazardous waste, investigation and cleanup of environmental contamination, and related environmental topics. However, it does not necessarily contain EVERY notice on these topics.

If you would like to search for additional current and archived notices, or receive notification of solicitation amendments, please visit the FedBizOpps web site.

R–VA PROFESSIONAL INDUSTRIAL HYGIENIST SERVICES (COMBINE)

SOL: VA24815Q1123
DUE: 042815
POC: Reginald Nettles, 727-399-3302, Reginald.Netttles@va.gov.

NAICS: 541620. This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued. THIS SOLICITATION STARTS 04/22/2015 AND WILL END 04/28/2015 AT 16 00 PM EST AND IS SET ASIDE 100% FOR SMALL BUSINESS. Network Contracting Activity 8 - Service Area Office - East intends to award a firm-fixed-priced service contract for a Certified Professional Industrial Hygienist (CPIH) and/or Certified Industrial Hygienists (CIH) certified by the State of Florida, to perform asbestos consulting services and perform the duties of the VA Professional Industrial Hygienist (VPH) during the asbestos abatement of the Central Energy Plan Roof, located at the C.W. Bill Young Medical Center. This procurement is being conducted under the FAR part 13 fixed acquisition procedures. The intent is to award an FFP service contract with a period of performance of 1 May 2015 - 30 June 2015. Direct all questions regarding this procurement to Reginald L. Nettles, Contracting Specialist by phone at 727-399-3302 or Fax 727-399-3346. The North American Industrial Classification System (NAICS) code for this procurement is 541620 with a small business size standard of $15.0 million.

99–CLEANING OF HAZARDOUS WASTE SHEDS ON HOHENFELS. (SNOTE)

SOL: W912PB15T3104
DUE: 050815
POC: Joseph East, 49(0)9641838712, joseph.w.east.civ@mail.mil.
WEB: FBO.gov Permalink at https://www.fbo.gov/notices/e/7967f03b4b5bdd03eb2042d4389a75

NAICS: 562112. THIS REQUIREMENT IS UNRESTRICTED. The purpose of this service contract is to clean and remove hazardous waste from Hazardous Waste Accumulation Points (HWAPs) and Hazardous Material Storage Areas (HMSAs) located at USAG Bavaria (Hohenfels). HWAPs serve for the collection of hazardous wastes that accumulate at vehicle maintenance areas and in motor pools. Secondary containments of HWAPs are to be steam cleaned. The removal and disposal of hazardous waste from the SortFac is performed under a different contract and is not part of this service contract. OFFERS ARE DUE BY OR BEFORE 10:00 AM CENTRAL EUROPEAN TIME, MAY 8, 2015.

TECHNICAL AND SCIENTIFIC SERVICES TO SUPPORT THE ACTIVITIES CONDUCTED BY THE DIVISION OF EMERGENCY AND ENVIRONMENTAL HEALTH SERVICES (DEEHS) (SRCSGT)

SOL: 2015-N-16927
DUE: 051215
POC: Alma C. Barber, Contract Specialist, vel3@cdc.gov, 770-488-2054; Vallerie M Redd, Contract Specialist, gfj3@cdc.gov, 770-488-2845.

NAICS: 541990. This is a Small Business Sources Sought notice. It is NOT a solicitation for proposals, proposal abstracts, or quotations. The primary objective of this requirement is to procure scientific and technical services in the areas of epidemiologic studies, surveillance, surveys, data collection and analysis, environmental, chemical and safety engineering, industrial hygiene, sampling, program analysis and evaluation, field training, information dissemination, and response to disaster events both domestically and internationally in support of the division’s environmental public health mission. The contractor, as an independent organization and not an agent of the Government, shall furnish all required personnel, consultants, materials, equipment and supplies to provide various work and services as specified in the individual task orders. The NAICS code for the proposed acquisition is 541990. The National Center for Environmental Health (NCEH), Division of Emergency and Environmental Health Services (DEEHS) has the mission to prevent and control disease, disability, and death that result from interactions between people and the environment. The Division also responds to national and international emergency and recovery assistance situations, especially Bioterrorism, natural and technologic disasters; and provides technical support for public health activities during emergencies such as biological and/or chemical disasters, civil strife, and famines. The division's focus areas span environmental health topics, including: food and water safety; lead poisoning prevention; healthy community design focused on walking/biking/public transit; chemical weapons elimination; emergency preparedness and response, environmental public health services and systems; and vessel sanitation to prevent/control gastrointestinal illnesses on cruise ships. The technical and scientific activities of DEEHS are often far-reaching, long-term, and require resources...
outside the scope or capacity of the division. For this reason, NCEH/DEEHS will procure services to support its mission and goals. The government's intent is to issue an IDIQ contract. The anticipated period of performance will be 60 months, which includes four option periods of 12 months each. Submit capability statements via email to Alma C. Barber, Contract Specialist, acb@cdc.gov. RESPONSES MUST BE SUBMITTED NO LATER THAN 1:00 PM ET BY MAY 12, 2015.

DISPOSAL OF HAZARDOUS AND INDUSTRIAL WASTE MATERIALS GENERATED AT MIKE MORRONE AERONAUTICAL CENTER (MMAC) AND ASSOCIATED LEASED FACILITIES WITHIN 60 MILES OF MMAC.

SOL: DTFAAC-15-R-02781
DUE: 05/19/15
POC: Cilony Alejandro, cilony.alejandro@faa.gov, 405-954-7814.
NAICS: 562112. The Federal Aviation Administration has a requirement for Disposal of Hazardous and Industrial Waste Materials generated at Mike Morrone Aeronautical Center (MMAC) and Associated Leased Facilities within 60 miles of MMAC. The contractor shall be in accordance with the documents (including the statement of work) attached to the notice posted at FBO.gov. It is anticipated that a firm-fixed-price IDIQ contract will be awarded as a result of this solicitation. This REQUIREMENT IS FULL AND OPEN under NAICS code 562112 -- Hazardous Waste Collection, with a business size standard of $36.5 million. Contractors must be registered with the System for Award Management (SAM) at www.sam.gov on the date established for receipt of proposals. All questions regarding the project specifications must be received via email at Cilony.Alejandro@faa.gov no later than 3:00 p.m. CT on May 12, 2015, to allow for responses to be provided prior to due date for receipt of proposals. Electronic offers are authorized for this requirement. PROPOSALS DELIVERED BY ANY MEANS MUST BE RECEIVED BY OR BEFORE 3:00 PM CT, MAY 19, 2014. Send electronic offers to Cilony.Alejandro@faa.gov. If mailing, mail to: FAA Customer Service Desk (AAQ-710), Multi-Purpose Building, Room 313, P.O. Box 25082, Oklahoma City, Oklahoma 73125. Hand-carried proposals (or proposals sent by overnight delivery) shall be delivered to Room 313 of the Multi-Purpose Building located at 6500 S. MacArthur Boulevard, Oklahoma City, Oklahoma 73169.

F--OPERATION AND MAINTENANCE OF INDOOR RANGES AT TROLSNRE MKRAMSHIPMANT CENTER, WEST POINT, NY (PRESL)

SOL: W9115D-15-T-0130
POC: Mark Droluck, 8459388386, mark.p.droluck.civ@mail.mil
WEB: FBO.gov Permalink at https://www.fbo.gov/notices/ffda59d1a76f94381afdf014db45021
NAICS: 562910. The Mission and Installation Contracting Command (MICC) - West Point has a requirement for operations, maintenance, and repair services for the HVAC systems, cleaning of the indoor ranges, and maintenance of two (2) MEGGITT Reclining Gran Trap bullet stops in the Tronsrue Marksmanship Center, Bldg 665, West Point, NY. A single-award firm-fixed-price contract type is anticipated for a one-year base period followed by four one-year option periods. The Tronsrue Marksmanship Center, located in Bldg 665 at West Point was completed in January 2000. It is the largest collegiate rifle facility in the country. Bldg 665 houses three indoor shooting ranges: Rifle Range (8521.28 sq ft), the Air Rifle Range (4207.05 sq ft) and the Pistol Range (9609.4 sq ft). The rifle and pistol ranges use MEGGITT Reclining Gran Trap bullet stops. All ranges are connected to a filtered exhaust ventilation system that requires regular maintenance. Due to the use of firearms in the building, many of the tasks included in this solicitation will involve lead-contaminated surfaces. It is the contractor's responsibility to conduct all work in accordance with applicable OSHA, EPA, and NYSDEC regulations. The NAICS code for this work is 562910 (Remediation Services), with a Small Business Size Standard of $20.5 million. THIS PROCUREMENT WILL BE SOLICITED AS A SMALL BUSINESS SET-ASIDE. A lowest-priced-technically-acceptable (LPTA) evaluation process will be conducted in accordance with FAR Part 13. Interested quoters must be registered in the System for Award Management (SAM) database. This notice of intent is not a quote or a solicitation of a quote, please do not respond to this solicitation notice. IT IS ANTICIPATED THAT THE SOLICITATION WILL BE POSTED ON OR AFTER 23 APRIL 2015. The solicitation documents as well as any amendments, if/when issued, will be posted to the Army Single Face to Industry (ASFI) at https://acquisition.army.mil/asfi/. The Government will issue no paper copies.

CBP SWTANTON SECTOR ENVIRONMENTAL ANALYSIS (PRESOL)

SOL: DTFAAC-15-R-01685
POC: Robert W. LaFollette, Contracting Officer, robert.lafollette@faa.gov, 405-954-7384.
NAICS: 541620. This is a presolicitation notice/public announcement for an environmental assessment and analysis for the Border Patrol Swanton Sector (New York/Vermont) in support for Customs and Border Protection (CBP) within the Department of Homeland Security (DHS). The Office of Border Patrol (OBP) is the law enforcement entity of CBP, a component of DHS. OBP’s mission is to prevent the entry of terrorists and terrorist weapons and to enforce the laws that protect the U.S. homeland by the detection, interdiction, and apprehension of those who attempt to enter illegally or contraband across the sovereign U.S. borders. An Inter-Agency Agreement between the DHS/CBP and the Federal Aviation Administration authorizes and funds FAA offices located in Oklahoma City, Oklahoma, to provide DHS/CBP with logistics support and supply chain management as required for U.S. Border Security Systems and necessary to accomplish the CBP’s mission. The purpose of this acquisition is to identify border security impacts to the human and natural environment of proposed construction, maintenance, repair, installation, and operation of up to 14 tower sites proposed by OBP Swanton Sector (located in New York and Vermont). The environmental documents will address the proposed Remote Video Surveillance System (RVSS) and relay/communications tower sites as well as command and control center (C2) facility new construction or
modifications to existing facilities, any necessary access or approach roads, and related utility and fiber optic installation. The objective of this work effort is to prepare Environmental Assessments (EAs) and complete compliance under Section 7 of the Endangered Species Act (ESA), Section 106 of the National Historic Preservation Act (NHPA), the Coastal Zone Management Act (CZMA), the Clean Air Act (CAA), and the Clean Water Act (CWA) for the project in U.S. Border Patrol Swanton Sector. This scope of work consists of the analysis and evaluation for the construction, operation, maintenance, and repair of sensor and relay towers, including required infrastructure in the U.S. Border Patrol, Ogdensburg Station, Swanton Sector. These fixed tower sites, in the vicinity of the St. Lawrence River, will be located in three regions in the Ogdensburg Station Area of Responsibility (AOR): (1) Leishman’s Point region; (2) Prescott - Ogdensburg International Bridge region, and (3) Chippewa Bay region. An optional phase may include analysis and evaluation of up to three relay (communications) tower sites located between Leishman’s Point and the Border Patrol Swanton Station in Swanton, Vermont. The impacts of providing access to the tower sites from the nearest public paved road will be evaluated in the EA, as well as impacts associated with infrastructure improvements such as commercial grid power, fiber optic lines, and telephone lines, etc. A FORMAL SOLICITATION IS EXPECTED TO BE RELEASED ON OR ABOUT MAY 1, 2015, with an approximate closing date of June 1, 2015. Electronic procedures (including proposal submission) will be used exclusively for this requirement. THE RESULTANT SOLICITATION WILL BE UNRESTRICTED. No phone calls please. ALL QUESTIONS MUST BE IN WRITING AND EMAILED to the contracting specialist/officer.

F--REGIONAL ENVIRONMENTAL ACQUISITION TOOL, ENVIRONMENTAL REMEDIATION SERVICES, U.S. ARMY CORPS OF ENGINEERS, SOUTH ATLANTIC DIVISION (PRESOL)

SOL: W912EP15R0011
POC: Beau Corbett, 904-232-1388, beau.corbett@us.army.mil
NAICS: 562910. The U.S. Army Corps of Engineers, Jacksonville District, intends to advertise on a SMALL BUSINESS SET-ASIDE basis for the award of an IDIQ, Multiple-Award Task-Order Contract (MATOC) with a total capacity of $188 million for up to five small businesses. The geographic areas to be served by these contracts will be all states within SAD (Alabama, Tennessee, Florida, Georgia, Mississippi, North Carolina, and South Carolina), Puerto Rico, U.S. Virgin Islands, Guam, and Central America. Awarded contracts will consist of a 3-year base period and one 2-year option period. Contract actions will be solicited, evaluated, and awarded in accordance with FAR Part 15, Department of Defense Source Selection Procedures and the Army Source Selection Supplement (AS3) to the Department of Defense Source Selection Procedures, utilizing a best value trade-off methodology. All MATOC awardees will be given fair opportunity to compete for subsequent task orders. All task orders to be awarded under this MATOC will be competed in accordance with FAR 16.505(b)(1), Fair Opportunity, and DFARS 216.505-70, Ordering Under Multiple Award Contracts, unless one of the exceptions to fair opportunity applies and is justified. Contract award will be made to those offerors whose proposals represent the best value to the Government considering price and other non-cost factors (i.e., Technical Approach, Quality Control, and Past Performance). Proposals shall include sufficient detailed information to allow complete evaluation. The Government reserves the right to reject any and all offers. This solicitation will be issued in electronic format only. Paper copies of this solicitation will not be available. Other methods of requesting a package will not be honored. THIS SOLICITATION IS ANTICIPATED TO BE AVAILABLE ON OR ABOUT MAY 8, 2015. This is not a request for quotations (RFQ) nor is it the official solicitation. Applicable NAICS code is 562910; Small Business size standard is 500 employees. Offerors must register in the System for Award Management (SAM) at www.sam.gov.
