

Federal Business Opportunities (FedBizOpps) Update

Notices for July 4-10, 2016

This update contains summaries of procurement notices issued between July 4-10, 2016 that pertain to hazardous waste, investigation and cleanup of environmental contamination, and related environmental topics. However, it does not necessarily contain EVERY notice on these topics.

If you would like to search for additional current and archived notices, or receive notification of solicitation amendments, please visit the [FedBizOpps web site](#).

WATSON JOHNSON LANDFILL CAP PROJECT (SRCSGT)

SOL: W912BU-16-WATSON

DUE: 071216

POC: Robert W. Hutcheon, Contract Specialist, robert.w.hutcheon@usace.army.mil, (215) 656-2291, Fax: (215) 656-6798.

WEB: FBO.gov Permalink at <https://www.fbo.gov/spg/USA/COE/DACA61/W912BU-16-WATSON/listing.html>

NAICS: 562910. A Market Survey is being conducted to gain knowledge of potential qualified Small Business firms, HUBZone, 8(a), Woman-Owned, or Service-Disabled Veteran-Owned Business contractors for the following proposed contract: The U.S. Army Corps of Engineers, Philadelphia District, anticipates a project for remedial action at the Watson Johnson Landfill (WJL) located at 680 East Pumping Station Road, Quakertown, PA 18951. The remedial action at the WJL site generally includes installation of a 21.4-acre multi-layer landfill cap. The Contractor shall be responsible for ensuring that sufficient equipment, labor, supervision, and materials, including health and safety and quality control provisions, are supplied to execute all work activities for final acceptance by the Government. Duration of the firm-fixed-price contract is approximately 18 months, not to exceed \$10M. Performance and Payment bonds will be required for 100% of contract award. NAICS for this project is 562910, with a size standard of \$20.5M. SUBMIT CAPABILITIES STATEMENTS VIA EMAIL BY OR BEFORE 4:00 PM ET ON JULY 12, 2016. Responses will be used to develop the acquisition strategy for this procurement.

RFI FOR NEPA SUPPORT SERVICES (SRCSGT)

SOL: DOJ-NIJ-16-F-0131

DUE: 071416

POC: Fitzgerald V. Escalona, Contract Specialist, fitzgerald.escalona@usdoj.gov, 202-307-3593.

WEB: FBO.gov Permalink at <https://www.fbo.gov/spg/DOJ/LEAA5/LEAA5/DOJ-NIJ-16-F-0131/listing.html>

NAICS: 541620. The purpose of this contract is to procure support services primarily focused on 3 broad areas: (1) provide general technical assistance for the NEPA process as needed and assume full responsibility for coordination and management of the requirements of the PEA Checklist process; (2) prepare individual Environmental Assessments (EAs) as requested by the National Institute of Justice (NIJ) for awards not eligible for the Programmatic Environmental Assessment (PEA) waiver; and (3) provide other technical assistance to NIJ staff related to NEPA activity, including annual and interim training for grantees and NIJ staff regarding but not limited to the completion of the PEA Checklist, and overall NEPA policies and protocols. NIJ anticipates awarding a time and materials contract for NEPA support services. The contractor will be required to have an expert understanding of the PEA, Checklist, and other NIJ documents related to the NEPA process to ensure the delivery of the highest quality technical support NIJ and its grantees (PEA and Checklist are attached to the FedBizOpps notice). The contractor shall be well versed with all applicable statutes, regulations, guidelines, and significant judicial decisions and must comply with them under this contract. RESPONSES ARE DUE VIA EMAIL BY OR BEFORE 12:00 PM ET ON JULY 14, 2016.

NAICS: 541620. THIS ANNOUNCEMENT CONSTITUTES A REQUEST FOR SUBMITTAL OF SF330s. THIS IS A 100% SMALL BUSINESS SET-ASIDE PROJECT. The NAICS code is 541620, Environmental Consulting Services, and the Small Business Size Standard is \$15M. The firm should indicate its small business status in Block 5(b) of the SF-330 Part II. The Government anticipates award of one firm-fixed-price contract. The USDA Forest Service, Carson National Forest has a requirement for Environmental Consulting (A-E) services to perform hazardous materials testing services on the Camino Real, Questa, and Tres Piedras Ranger Districts. Hazardous material testing tasks include performing a site assessment on 3 Forest Service facilities to sample and test/analyze samples for lead-based paint and asbestos. In addition, the successful firm will be required to provide a report, including copies of analysis and site evaluations, in one complete report. The A-E firm shall be able to perform hazardous material testing services that meet the following requirements: Testing Requirements for Lead Paint: Lead paint identification shall be established by an X-ray Fluorescence (XRF) reading above the HUD action level of 1.0 mg/cm². Testing Requirements for Asbestos: Asbestos shall be determined by Polarized Light Microscopy (PLM) EPA-600/R-93/116. The testing facility shall be a NVLAP accredited laboratory for PLM analysis. The selected firm will have 60 days to complete the testing. SUBMIT SF330 PACKAGES BY OR BEFORE 10:00 AM MT ON FRIDAY, AUGUST 12, 2016. Firms responding to this announcement on or before the closing date/time deadline will be considered for selection, subject to any limitations indicated with respect to size, geographic locations of firm, specialized technical expertise, or other requirements listed. Following evaluation of the qualifications and performance data submitted, the Government intends to offer a formal solicitation and enter into negotiations with the highest rated technical offer. If a mutually agreed to contract cannot be reached, the Contracting Officer will formally terminate negotiations with the highest rated technical offer and proceed to negotiate with the second highest rated technical offeror.

LEAD ABATEMENT AND CLEANING SERVICES (PRESOL)

SOL: DJF-16-2100-PR-0003908

POC: Myloshia Robinson, Contract Specialist, Myloshia.Robinson@ic.fbi.gov, 202-324-0051; Nancy J. Beck, Contracting Officer, nancy.beck@ic.fbi.gov, 202-324-2947.

WEB: FBO.gov Permalink at <https://www.fbo.gov/spg/DOJ/FBI/PPMS1/DJF-16-2100-PR-0003908/listing.html>

NAICS: 562910. This posting serves to notify Industry of an upcoming DOJ/FBI solicitation that will establish a hybrid FFP/IDIQ for lead abatement and associated cleaning services. This includes indoor and outdoor shooting ranges, gun vaults, repair shops, gun cleaning rooms, stress obstacle ranges, exterior training maze range, and associated bathrooms at the Quantico complex. The Contractor shall provide the labor, equipment, and supplies required to perform the services described in the SOW (attached to the FedBizOpps notice). A qualified contractor shall perform lead cleaning services as described in the requirements. The Contractor shall designate a program manager responsible for overseeing, directing, and managing its resources performing these duties. Duties shall focus on monitoring, coordinating, and corrective action as needed for operational efficiencies and effectiveness. Once a solicitation is finalized, a new posting will be issued. This presolicitation notice includes a draft SOW and does not include evaluation factors or a basis for award. The solicitation number and SOW may change between now and day of final issue. The intent of this notification is to allow Industry the opportunity to review, comment, and have input for consideration by the Government based upon review of the SOW. Address questions and comments to Myloshia Robinson, Contract Specialist -- Myloshia.robinson@ic.fbi.gov. No phone calls or facsimiles will be accepted. Only written, emailed questions will be answered and posted. QUESTIONS/COMMENTS ARE DUE BY OR BEFORE 12:00 PM ET ON JULY 18, 2016. Upon issuance of the FINAL RFQ for this effort, a new timeframe for questions and answers will be part of that combined synopsis/solicitation. If applicable, the FINAL RFQ will include the answers to the questions associated with this posting.
