THIS IS A MARKET SURVEY FOR EMERGENCY QUARTERS ABATEMENT AND MONITORING AT 2788 PRINTERS COURT, GRAND JUNCTION, CO 81506 (SRCSGT)

SOL: 28105

DUE: 090617

POC: Patti Owens, patti.ctr.owens@faa.gov, Phone: 405-954-0693.

WEB: FBO.gov Permalink at <https://www.fbo.gov/spg/DOI/FAA/MMACTR/28105/listing.html>

NAICS: 562910. The responses to this market survey will be used for informational purposes only. The FAA is seeking interest from the small business community for possible set-aside of all or part of the procurement. Responses are desired from any/all eligible small businesses, service-disabled veteran-owned small businesses, or eligible socially and economically disadvantaged businesses that are certified by the SBA for participation in the SBA's 8(a) Program. FAA anticipates that any resultant contract will be a Fixed-Price contract. FAA is contracting the abatement of Emergency Living Quarters 660 square feet of asbestos floor tiles located in an FAA facility at Grand Junction, CO. Abatement contractor must have a least one (1) year previous experience in asbestos abatement. Contractor personnel shall attend and successfully complete training per 40 CFR Part 763, Subpart E Appendix C or training required by the State of Colorado. FAA will contract the services of an independent Certified Industrial Hygienist (CIH) to provide asbestos abatement guidance and oversight and to collect air monitoring as required by applicable local, state, federal, and FAA requirements, to include the contracts between the FAA and various employee unions. Abatement contractor shall follow all facility-specific security procedures. The abatement contractor shall remove all debris from the living quarters of the GJT ARSR before abatement. The contractor shall prepare a written Class II asbestos abatement plan. The plan shall be site specific and provide sufficient information to enforce the contract documents. ALL RESPONSES TO THIS MARKET SURVEY MUST BE RECEIVED BY 5:00 P.M. CT ON SEPTEMBER 6, 2017.

NAICS: 562910. Market research is being conducted to determine interest, capability, and socio-economic category of potential sources for the requirement. The government requests interested parties submit a brief description of their company's business size (i.e., annual revenues and employee size), business status (i.e., 8(a), Historically Underutilized Business Zone, or SDVOSB, WOSB, EDWOSB, or small business) anticipated teaming arrangements, and a description of similar services offered to the Government and to commercial customers. The contractor shall provide all management, tools, supplies, equipment, and labor necessary to conduct maintenance and cleaning of 45th SFS weapons firing range located at Building #9693, Patrick AFB. Performance period for this contract will be no more than 1 year from the date of award, and will run continuously for 1 year with the provision for an extension of this contract for an additional 4 year period. This extension will be awarded based on a review of current satisfaction with services each year. RESPONSES ARE DUE NO LATER THAN SEPTEMBER 7, 2017, AT 1500 ET.

THIS SOLICITATION IS A TOTAL SMALL BUSINESS SET-ASIDE. Little Rock AFB is seeking a contractor to provide maintenance of the M-4 firing range at the Combat Arms Training and maintenance (CATM) compound. OFFERS MUST BE RECEIVED BY 12:00 NOON CT ON SEPTEMBER 8, 2017. Funds are not presently available for this effort. No award will be made under this solicitation until funds are available. The Government reserves the right to cancel this solicitation, either before or after the closing date.**CITE:**https://www.fbo.gov/?s=opportunity&mode=form&id=84b42b5027ebefeda79c8021b990b6f2&tab=core&_cview=0**Posted:** 08/25/17**SPONSOR:** Department of the Air Force, Air Mobility Command, 19th Contracting Squadron, Little Rock AFB, Arkansas.**PUBLICATION DATE:** August 27, 2017**ISSUE:** FBO-5756**INDEFINITE DELIVERY INDEFINITE QUANTITY (IDIQ) CONTRACTS ENVIRONMENTAL QUALITY SUPPORT SERVICES (PRESOL)****SOL:** W911KB17R0018**POC:** Au Nguyen, Contract Specialist, au.m.nguyen@usace.army.mil, 907-753-5754; Aldone Graham, Contract Officer, aldone.r.graham@usace.army.mil, 907-753-2528.**WEB:** FBO.gov Permalink at <https://www.fbo.gov/spg/USA/COE/DACA85/W911KB17R0018/listing.html>**NAICS:** 562910. THE GOVERNMENT INTENDS TO ISSUE A FORMAL SOLICITATION VIA AN RFP ABOUT 15 DAYS FROM THE PUBLICATION OF THIS ANNOUNCEMENT, i.e., AROUND OR ABOUT SEPTEMBER 11, 2017. This announcement constitutes a pre-solicitation notice. The acquisition will be a competitive procurement after exclusion of sources as a Total Small Business Set-Aside. The U.S. Army Corps of Engineers, Alaska District (CEPOA) plans to solicit offers for firm-fixed-price IDIQ Multiple-Award Task Order Contracts (MATOC) for environmental conservation, environmental compliance, pollution prevention, and environmental operations and maintenance activities at sites located primarily throughout Alaska. The NAICS of 562910 (size standard 750 employees) is considered most appropriate for this acquisition as it captures many of the potential work activities, to include but not limited to air quality management; cultural and natural resource management; pollution prevention; pesticide management; solid waste management; asbestos survey and abatement; lead-based paint survey and abatement; storm water sampling/analysis and permitting; drinking water sampling/analysis; groundwater monitoring; environmental baseline surveys; and environmental impact analysis. Requirements will be carried out as specified in individual task orders at sites within the USACE Pacific Ocean Division (POD) Area of Responsibility (AOR), which includes but is not limited to Alaska, Hawaii, Japan, Korea, Guam, Wake Island, and the Northern Marianas Islands. Up to four contracts may be awarded. The Government will make award to the responsible offerors whose proposals are determined to be the best value to the Government using the trade-off process considering non-price technical factors and price. The planned duration of any resulting IDIQ MATOC awards is a 3-year base period and one 2-year option ordering period, if exercised by the Government. The maximum shared capacity between the total number of IDIQ MATOC awards made will not exceed \$48M. The guaranteed minimum amount for each contract will be \$10K for the entire period of the contract including any options. A minimum order amount will be established at \$3K and the maximum order amount will be established at \$5M per single task order and \$48M combined. The Government intends to award without discussions.**CITE:**https://www.fbo.gov/?s=opportunity&mode=form&id=9929e1e21baf9983166c66a7af4e7e14&tab=core&_cview=1**Posted:** 08/25/17**SPONSOR:** Department of the Army, U.S. Army Corps of Engineers, USACE District, Alaska, JBER, Alaska**PUBLICATION DATE:** August 27, 2017**ISSUE:** FBO-5756**REPLACE VISITOR CENTER TO CORRECT SERIOUS SAFETY DEFICIENCIES TO ENHANCE VISITOR EXPERIENCE (PRESOL)****SOL:** P17PS01828**POC:** Joy Ewalt, Contract Specialist, joy_ewalt@nps.gov, Phone: 303-969-2394, Fax: 303-987-6608; Dave Thomas, Contracting Officer, Dave.Thomas@nps.gov, Phone: (303) 969-2831.**WEB:** FBO.gov Permalink at <https://www.fbo.gov/spg/DOI/NPS/DSC-CS/P17PS01828/listing.html>**NAICS:** 236220. THIS ACQUISITION IS SET ASIDE FOR INDIAN SMALL BUSINESS ECONOMIC ENTERPRISES. The National Park Service (NPS), Department of Interior (DOI), Denver Service Center (DSC), is soliciting proposals on a competitive small business set-aside basis from interested small businesses having the capability to perform the work described at FedBizOpps. The solicitation will be issued electronically on FedBizOpps.gov [NO ESTIMATED RELEASE DATE PROVIDED]. The NPS is seeking responses from Competitive Small Business construction contractors who have the capability and interest in a single construction contract for the removal and replacement of the existing Little Sand Bay visitor center. The new visitor center will be approximately 63% smaller than the existing facility. Little Sand Bay (LSB) is 13 miles northwest of the park's main visitor center, which is located in Bayfield, Wisconsin. Situated near the eastern end of the park's mainland unit, LSB serves as the principal launch area for overnight kayak trips into the park archipelago, and is one of two primary day-use launch areas within APIS. This project will remove and replace the existing LSB visitor center. The project would deconstruct the existing 3,834 square foot building and mitigate environmental contamination known to be on site, including the fuel contaminated soil beneath the structure. It is anticipated that a negotiated firm-fixed-price contract will be awarded, requiring submission of both a technical and price proposal. The government will consider an offeror's technical capability in comparison to its price. Estimated Price Range: \$1 million - \$2 million. Estimated Period of Performance: October-2017 - October 2018.**CITE:**https://www.fbo.gov/?s=opportunity&mode=form&id=777409f13fcb8dad5c240a47c5399035&tab=core&_cview=0**Posted:** 08/23/17**SPONSOR:** Department of the Interior, National Park Service, DSC-CS-Contracting Services Group, Lakewood, CO.**PUBLICATION DATE:** August 25, 2017**ISSUE:** FBO-5754
