NAICS: 562211. A sources sought notice is a market research tool being used to determine the availability and adequacy of potential business sources prior to determining the method of acquisition. The intent of this sources sought notice is to identify qualified HUBZone, 8(a), woman-owned, service-disabled veteran-owned, and small businesses for a firm-fixed-price IDIQ Contract for heavy solids hazardous waste transportation and disposal at Anniston Army Depot and surrounding areas. The scope of work requires the transportation and disposal of government-generated heavy solids hazardous waste, as well as providing rolloff storage containers. Upon review of industry response to this sources sought, the Government will determine whether a set-aside acquisition is in the Government's best interest. The NAICS code for this project is 562211 (Hazardous Waste Treatment and Disposal) with a size standard of \$38.5M. NAICS code compliance verification will occur if/when proposals are submitted. Proposals are not to be submitted at this time. The duration of the contract is anticipated to be for one 30-month base period from the date of initial contract award and will include one 30-month option period. Interested firms matching the categories referenced above are invited to submit a brief capabilities statement package (no more than 3 pages in length, single-spaced, 12-point font minimum) demonstrating ability to perform the requested services. CAPABILITIES PACKAGES MUST BE RECEIVED NO LATER THAN 4:00 PM ET ON FRIDAY, SEPTEMBER 29, 2017, via email to roger.lonoza@dla.mil.
