WASTE MANAGEMENT AND SMALL ARMS RANGE SUPPORT ENVIRONMENTAL TECHNICAL SERVICES CONTRACT, IDIQ (SRCSGT)

SOL: N6945020R0019

DUE: 121119

NAICS: 562910. THE PROPOSED CONTRACT IS BEING CONSIDERED FOR CERTIFIED 8(a) BUSINESSES under NAICS code 562910 (Remediation Services), size standard \$22M. Interested certified 8(a) concerns should indicate interest in the acquisition as early as possible but not later than 14 days from the date of this notice. NAVFAC Southeast intends to award one IDIQ Environmental Technical Services contract for Environmental Restoration projects in support of NAVFAC SE's area of responsibility, primarily encompassing South Carolina, Georgia, Florida, Alabama, Tennessee, Mississippi, Louisiana, Arkansas, Missouri, Texas, Kansas, Oklahoma, the Caribbean (Puerto Rico, Guantanamo Bay Cuba, etc.), and other locations as necessary. This anticipated firm-fixed-price IDIQ contract is valued at \$4M over a 5-year ordering period. Work under this Contract involves multi-disciplinary planning and environmental investigations for a wide variety of projects and tasks, including but are not limited to hazardous waste and other regulated waste management and release support; small arms firing range clearance, maintenance, and monitoring services; site investigations, monitoring and evaluations; and aqueous film-forming foam control, removal and disposal. Interested firms should answer the Market Research Questionnaire. RESPONSES ARE DUE BY 2:00 PM ET ON DECEMBER 11, 2019.

ARCHITECTURE AND ENGINEERING ENVIRONMENTAL SERVICES (AE ES 2020) FOR THE UNITED STATES AIR FORCE (SRCSGT)

SOL: FA8903-20-D-XTBD

DUE: 122319

NAICS: 562910. The purpose of this sources sought is to conduct market research to gain knowledge of interest, capabilities, and qualifications of various members of industry for A-E

services primarily to be utilized in support of the Air Force Civil Engineering Center (AFCEC) multi-billion dollar environmental program, which will be executed by various agents, including AFCEC, USACE, AF base contracting, and other federal agencies. The Air Force is considering a suite of A-E contracts valued at approximately \$1B with an ordering period of up to 10 years. The anticipated NAICS code for this procurement is 562910 (Environmental Remediation Services), small business size standard 750 employees. This suite of contracts is expected to replace the current suite of A-E contracts for design and environmental oversight entitled AE ES 13. The A-E services capabilities will generally remain the same (the general scope of the AE ES 13 suite). However, depending on results of market research, the AF may consider awarding one or more single or multiple IDIQ contracts for multi-disciplinary or single-disciplinary A-E efforts. Furthermore, this market research will aid in determining the geographical locations or functional areas for each IDIQ contract (which may differ from the current AE13 ES suite of contracts). Interested parties who consider themselves qualified to perform the work described in the attachments to the notice posted at Contract Opportunities are invited to submit a response to this sources sought. RESPONSES MUST BE RECEIVED NO LATER THAN 2:00 PM CT ON DECEMBER 23, 2019.

R--TECHNICAL EVALUATION AND MARKET ASSESSMENT SUPPORT (PRESOL)

SOL: 68HERC19R0023

NAICS: 541611. For updates to this presolicitation notice, including the actual solicitation, monitor FedConnect at

<https://www.fedconnect.net/FedConnect/?doc=68HERC19R0023&agency=EPA>. U.S. EPA has need for a contractor to provide support to EPA's Office of Water, Office of Wastewater Management (OWM), in supporting the implementation of water-efficiency programs. The WaterSense market-enhancement program helps end-users identify water-efficient products and programs. Contractor efforts will broadly support EPA's efforts to increase U.S. water efficiency. Successful contractors will be expected to provide technical support services to aid the Agency in the following task areas, primarily in the water efficiency arena: market transformation strategy development; technical analysis of programs and products; voluntary specification development for products, programs, and/or services; general voluntary program support; market/industry analysis; partnership development; product certification and conformity assessment; tracking, evaluation & analysis; marketing and outreach; consumer education; customer service/relationship management; recognition; website development and maintenance; and general outreach materials development, such as case studies, newsletters, slide shows, brochures, videos, and public displays. RELEASE OF THE SOLICITATION IS ANTICIPATED ON OR AFTER DECEMBER 3, 2019.

F--REGION 2 - EMERGENCY RAPID RESPONSE SERVICES (ERRS) (PRESOL)

SOL: 68HE0219R0002

NAICS: 562910. U.S. EPA REGION 2 INTENDS TO ISSUE A COMPETITIVE SMALL BUSINESS SET-ASIDE SOLICITATION (NAICS code 562910, size standard 750 employees) to provide Emergency and Rapid Response Services (ERRS) for time-critical removals and rapid remedial actions with respect to the release or threat of release of oil, hazardous and toxic wastes, petroleum products, hazardous substances, or pollutants, contaminants or fire or explosion hazards, that pose an actual or potential threat to human health or welfare, or the environment. This procurement will also include the cleanup for incidents involving weapons of mass destruction; acts of terrorism; nuclear, biological and chemical incidents; and natural or man-made disasters. These services are to be provided within the EPA Region 2 geographic area, which includes the states of New York and New Jersey, and the territories of Puerto Rico and the U.S. Virgin Islands. It is the Government's intent to award several performance-based IDIQ-type contracts for a maximum period of performance of 60 months. SOLICITATION 68HE0219R0002 WILL BE ISSUED AT AN UNSPECIFIED LATER DATE. Monitor FedConnect for updates at

<https://www.fedconnect.net/FedConnect/?doc=68HE0219R0002&agency=EPA>.
