PRE-CONSTRUCTION ASBESTOS SURVEY SLC (COMBINE)

SOL: 36C25920R0106

DUE: 091820

NAICS: 562910. THIS SOLICITATION IS SET ASIDE FOR SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS (SDVOSB) under NAICS code 562910. The Salt Lake Medical Center needs a pre-construction asbestos survey (NESHAP) for an upcoming project. Contractor will be required to collect all samples and for the testing services, which includes visual assessments and bulk sampling of building materials, for all areas that the matrix of any building materials may be disrupted during the project. The contractor is responsible for providing all labor and materials to collect samples. Any sampling that damages the substrate shall be repaired, by the contractor, with a matching non-asbestos encasing material. The contractor shall practice safe sampling procedures to ensure that all VA employees, patients and visitors are protected from potential exposure to airborne asbestos. OFFERS ARE DUE BY 2:00 PM MT ON SEPTEMBER 18, 2020.

42 -- C & D WASTE AND SPILL PREVENTION, CONTROL AND COUNTERMEASURE (SPCC) MANAGEMENT SUPPORT (SOL)

SOL: W91248-20-Q-0007

DUE: 092520

NAICS: 541620. THIS SOLICITATION IS SET ASIDE FOR WOMAN-OWNED SMALL BUSINESS (WOSB) under NAICS code 541620 (\$16.5M) as a non-personal services contract that provides RCRA C-D and SPCC and storage tank management support to Fort Campbell, KY. This contract ensures the installation manages all regulated waste in accordance with RCRA regulations for hazardous and universal waste; trains staff on the installation; ensures support to manage 3.4 million gallons of petroleum and 312 regulated tanks response; and provides oversight to ensure major plans regulating the installation are current and up to date. Comprehensive technical services are required to assist Fort Campbell to ensure that the program remains in compliance with federal, state, and local rules and regulations. Environmental compliance assessments and inspections, data-base record keeping and reporting, RCRA storage site management, storage tank and spill plan submittals, compliance exercises and response, training, and data analysis are required by state and federal regulation. The contractor, as an independent contractor and not as an agent of the government, shall provide the personnel, materials, equipment, and any other necessary resources to satisfy the objectives of the Performance Work Statement. OFFERS ARE DUE BY 5:39 PM CT ON SEPTEMBER 25, 2020.

F -- PORTSMOUTH GASEOUS DIFFUSION PLANT (GDP) DECONTAMINATION (SRCSGT)

SOL: 89303320NEM000026

DUE: 100920

NAICS: 562910. This Sources Sought is issued for the purpose of conducting market research for the acquisition planning stage for the potential contract award for completion of the Portsmouth Gaseous Diffusion Plant (GDP) life-cycle D&D project. No solicitation exists at this time. The project includes demolition and disposal of all GDP facilities, process equipment, related process buildings, and other ancillary GDP facilities in addition to remediation of contaminated soils and groundwater. The purpose of this notice is to solicit input via capability statements from interested parties with the specialized capabilities necessary to meet all of the major elements of scope for the upcoming competitive procurement. DOE is also seeking feedback from contractors and other interested parties regarding options for innovative approaches for performance of the major elements of scope as well as insight into potential contracting alternatives for accelerated achievement of project end states. Due to the preliminary stage of this planning activity, a performance work statement is not available at this time and the major elements of scope are identified in an attachment at beta.sam. RESPONSES ARE DUE BY 5:00 PM ET ON OCTOBER 9, 2020.

99 -- DRAFT RFP W9128F20R0046 - \$49M ERS WEST SATOC - SB SET-ASIDE (SNOTE)

SOL: W9128F20R0046

NAICS: 562910. The purpose of this announcement is to promote early exchanges of information about a future acquisition. At a yet-to-be-determined future date, the Government anticipates awarding under this solicitation number an IDIQ single-award task-order contract (SATOC) for environmental remediation services with Military Munitions Response Program Capabilities under NAICS code 562910, in support of the U.S. Army Corps of Engineers (USACE), Omaha District and its customers in the Continental United States, Alaska, Hawaii, and U.S. territories, with the western half of the United States as primary coverage. Contracts likely will have a basic ordering period of four years plus one three-year option period or until the \$49M total contract capacity is reached, whichever comes first. A DRAFT RFP is attached to the notice at beta.sam for which the USACE Omaha District is

requesting industry comments or concerns. Response to this announcement is strictly voluntary and will not affect any firm or corporation's ability to submit an offer if and when a solicitation is released. A formal RFP under the same solicitation number will be released at a date to be determined. Please submit questions, comments, and suggestions via ProjNet as part of the Bidder Inquiry via <https://www.projnet.org/projnet/> using Bidder Inquiry Key 3T3U8A-P4MY6V. The Government does not intend to respond to these comments during this comment period; however, the comments and concerns will be reviewed and considered in the development of the final RFP. If and when a solicitation is released, there will be another Bidder Inquiry Key established in which the Government will respond to industry comments.
